GAME PROJECTS

GAME PROJECTS

IRON GRID

A turn-based game that prioritizes colorful designs, easy readability and simple yet additive gameplay.

The player is a commander that controls an army and has to fight and complete the given missions.

The designs of units are inspired by real life military vehicles.

DEFINITELY ON TIME?

A fun and enjoyable racing/delivery game that takes place in a sci-fi-ish city.

The player have to complete delivery orders on time while avoiding the chaotic traffic of the city.

GAME PROJECTS

ASHEN: BROKEN FRONT

An RTS (Real-Time Strategy) game that is inspired by the Command & Conquer and Company of Heroes series.

Set in a future where humanity has to fight against robots to ensure their survival. The player must build and command their troops to victory

THE CLUELESS GUNSMITH

Who are you? Where are you? You don't know, but you do know that you need to find parts, assemble guns and shoot the padlock to find your way out.

A fun little VR game where you have to solve puzzle, use hints, find parts and assemble all of them.
