

**bfcache**

# **bfcache**

- what is bfcache
- why is it cool
- story about a pitfall
- how to take control

# **bfcache**

 **back forwards** 

# demo time

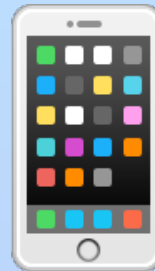

- Infinite Kittens!
- Cart pitfall example

# take control

```
window.addEventListener('unload', () => {});
```

**mobile**

# take control

```
window.addEventListener('pageshow', (event) => {  
  if (event.persisted) {  
    // loaded from bf cache  
    // restore desired state  
    // window.location.reload()? :P  
  }  
});
```

**Thanks**
